PRESENT AND ACTING

Willie D. Wise, Clerk
Gail O'Bryan, Administrative Assistant

The Board of County Commissioners met this date in special session at 1:00 pm for the purpose of a presentation by Lisa K. DeBrauwere on Recontec, a hazardous waste recycling center.

The meeting was called to order by Commissioner Whitfield. Mrs. Lisa De Brauwere with the firm of Barron, Redding, Hughes, Fite, Bassett and Fenson, representing Recontec made a presentation to the Board and during her presentation stated Recontec's business is the extracting of metals from waste. She stated if Recontec located in Calhoun County they project a 3.6 million dollar payroll with 180 jobs. Mrs. De Brauwere reported a \$250,000.00 benefit trust fund would be set up for Calhoun County after the first year. She reported a 15 acre site would be needed for the 66,000 sq. ft. building and construction would not begin for approximately 1½ to 2 years due to extensive permitting by the State and Federal Agencies. Mrs. De Brauwere stated Recontec has a pilot plant in operation in San Diego that has been in operation for 3 years and is in the process of constructing a plant in Newman, Illinois.

Colonel and Mrs. Ellison, members of Chipola River Basin Protective Group were present at the meeting and Colonel Ellison read a statement urging the Commission to go slow and get all answers to all questions regarding waste disposal, infrastructive and environmental impact study.

After much discussion, Commission Whitfield announced a special meeting would be held at 9:00 am, Monday, April 10, 1989 for additional information and study on Recontec.

There being no further business to come before the Board, they did then adjourn.
