(SHIP) COORDINATOR**

Attorney Fuqua and the Board of County Commissioners reviewed the two applications which were submitted for the Building Official, Dan Clemons and Jerry Guilford. After reviewing the applications the Board allowed each applicant to state why they would like to have this position.

Mr. Joe Wood advised the Board of its options, hiring an employee to be the Building Official or contracting these services. There was discussion of the provision license requirements and application process. It may be necessary for the applicant to go before the Building Code Administrators and Inspectors Board which meets quarterly and their next meeting is April 8-10, 2015 in order to get their "provisional" license.

The Workshop was adjourned.
